C. GROW YOUR OWN PIPELINE DESIGN

District-level pipeline consulting: certification gap analysis, cohort mapping, funding alignment, and progress reporting. New district partners receive a complimentary Grow Your Own Pipeline Snapshot — a one-page diagnostic brief — following a 30-minute discovery call.

D. REPORTING, CERTIFICATES & CPE CREDIT

Every engagement includes branded completion certificates, session-level attendance logs, and district engagement reports. As a TEA-Approved CPE Provider, Gran Vía Pro issues CPE credit for all qualifying professional development hours.

Multi-course and multi-semester agreements are priced on a district scale schedule. Contact training@granviapro.com for a written quote tailored to your cohort size and course selection.
